Hi Michael:

I'll share the below with my client. Whether ST-INT'L has been properly served, of course, is an issue over which the parties disagree. But it seems to me there are multiple ways to address this issue. For example (and I still need to vet this with my client), would it address your concern if ST-INT'L agreed to alternative email service on counsel?

Li,

If ST International NV will formally stipulate that it has been effectively served with the Complaint,

Purdue will withdraw the motion for default judgment and extend the answer/response date to May 30.

The issue of service must be off the table for the default to be withdrawn.

Michael
